

## HILL & USHER ANNOUNCES: NIKKI MCKENNA

### Recent Addition to the Family Insurance Group Enhances Service

#### Nikki McKenna's Role with Hill & Usher

Hill & Usher is pleased to announce that Nikki A. McKenna has joined our Family Insurance Group, effective November 12, 2007.

As the name suggests, Hill & Usher's Family Insurance Group focuses on serving the personal insurance and risk needs of families and individuals. As families grow, so does the need to consider coverage for more advanced risks like teen-age drivers, second homes, Recreational Vehicles, classic automobiles, and personal liability.

#### From Teacher to Insurance Broker

Prior to joining Hill & Usher, Nikki worked in the Kyrene School District for several years as both a Kindergarten and first-grade teacher. A graduate of Arizona State University, Nikki holds a B.A. degree in Early Childhood Education. While teaching and children remain a passion, Nikki decided earlier in the year that a career change into the insurance and business fields would offer her new challenges and opportunities.

Nikki is a licensed Property & Casualty insurance agent and is actively pursuing the Personal Lines Coverage Specialist (PLCS) designation.

Nikki may be reached at [nikkim@hillusher.com](mailto:nikkim@hillusher.com).
