

## Personal Insurance Deduction A new Multi-Carrier Employee Benefit for AZ Employers

### Why Personal Insurance Deduction?

- Saves your employees money, as they choose from companies like Hartford, CNA, Travelers, Chubb, Progressive and others for their automobile and homeowners insurance.
- Allows employees to have insurance payments deducted automatically from their paychecks, eliminating all billing fees, late fees and finance charges.
- Includes hassle free program administration with no direct employer costs.
- Provides insurance consultation and advice for your employees all at one local telephone number.
- Works with any type of payroll system and/or multiple payrolls.

Phoenix, AZ—The hot Arizona job market has made retaining top employees more challenging than ever. Nearly all mid-sized and large Arizona firms will offer employee health, life, and retirement benefit plans this year; but few employers will offer a Multi-Carrier Personal Insurance Deduction plan like that available through Hill & Usher.

Allowing your employees access to the finest “A-rated” insurance companies for their home and automobile insurance—at no cost to you—will bolster your employee benefit package overnight.
